# The Sto-tonian

Presented by  
The Class of 1959

Stoughton High School

Stoughton, Massachusetts

# *Dedication*

We, the class of 1959, gratefully dedicate our Sto-tonian to our friend and advisor, Miss Rita V. Lavallee, in sincere appreciation for the help and guidance she has given us during our years of high school.

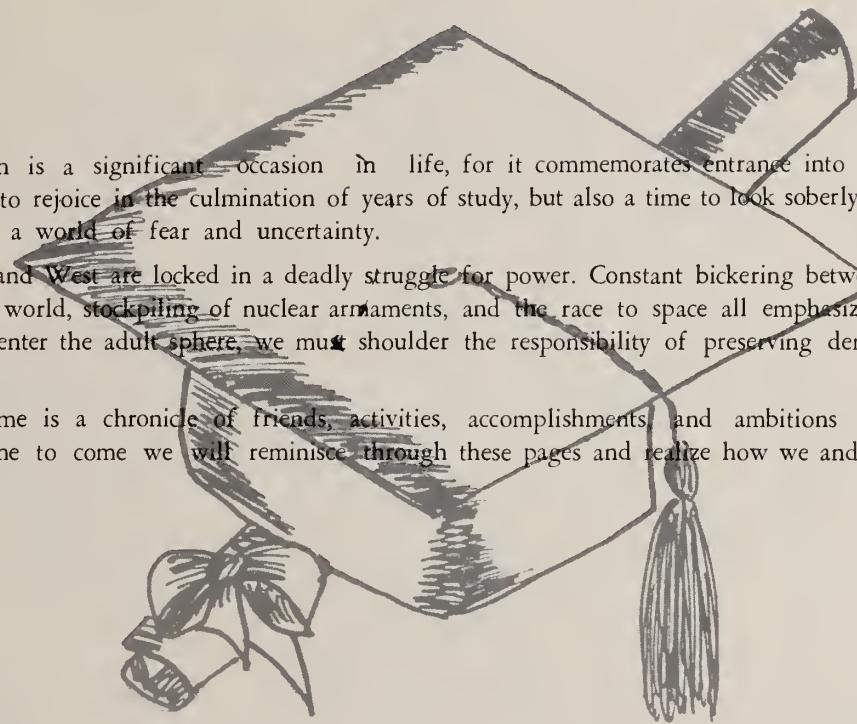

*Bonne chance, Mademoiselle, et Dieu vous bénit.*

# Prologue

Graduation is a significant occasion in life, for it commemorates entrance into the adult world. It is a time to rejoice in the culmination of years of study, but also a time to look soberly at the challenge presented in a world of fear and uncertainty.

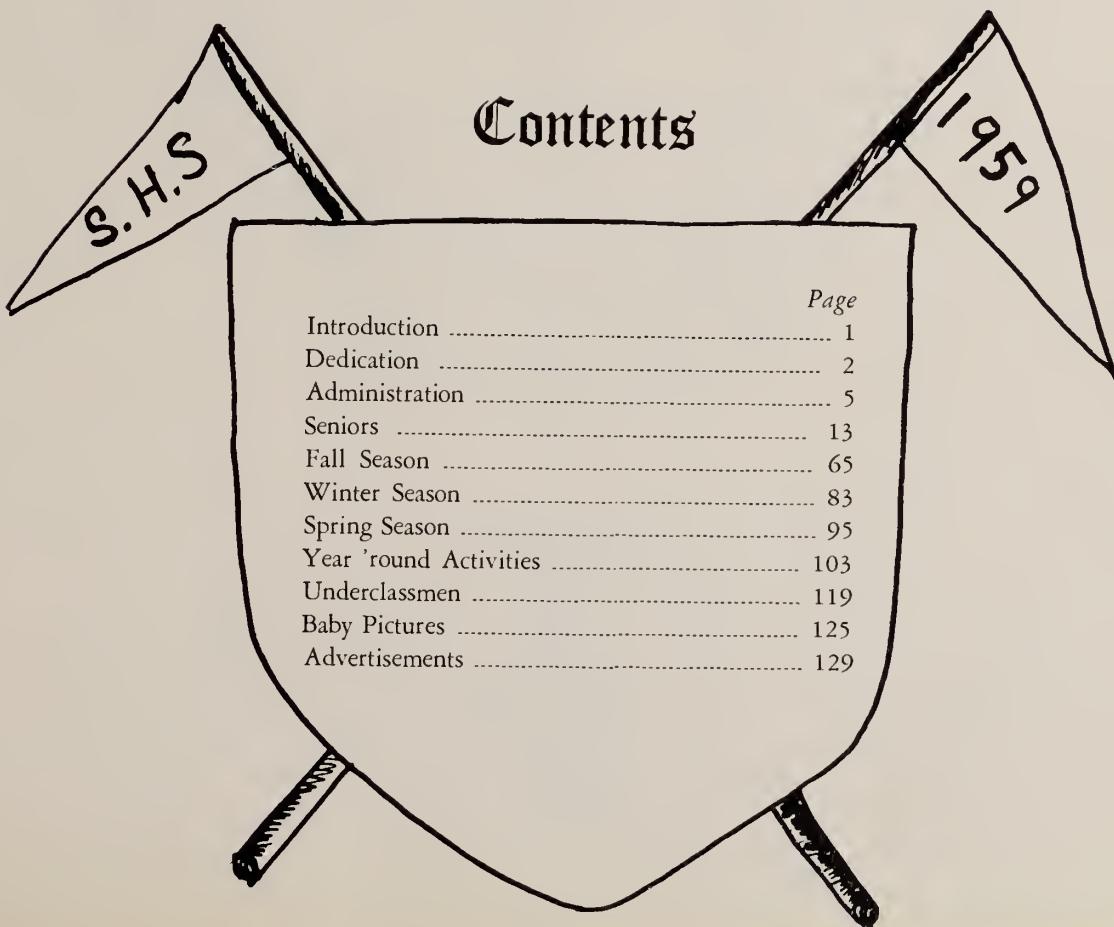

The East and West are locked in a deadly struggle for power. Constant bickering between Communism and the free world, stockpiling of nuclear armaments, and the race to space all emphasize a raging cold war. As we enter the adult sphere, we must shoulder the responsibility of preserving democracy and the free world.

This volume is a chronicle of friends, activities, accomplishments and ambitions of high school years. In time to come we will reminisce through these pages and realize how we and the world have changed.

In the halls of Stoughton High School,  
We will mold life's avenue.  
As we live and learn in harmony,  
We make friendships strong and true.  
Fellowship and competition  
Shape our minds and company,  
And the days pass by in happiness  
As we study, sing, and play.

Each September brings us flocking  
Here to cram our brains 'til June;  
Study science, mathematics, too,  
And the craters on the moon.  
From the shop comes soothing music  
Of a buzz-saw's blade red-hot,  
While nearby in French and history  
Sit the students deep in thought.

As we forge a path through high school  
We must fight to meet success;  
There is sadness, love, and triumph, too,  
In our hallowed S.H.S.  
Failure is a great professor:  
Let it be to us a guide.  
As we mount each tow'ring obstacle,  
Fortune's portals open wide.

Not that I have already obtained, or am already made perfect: but I press on . . . one thing I do, leaving the things which are behind, and stretching forward to the things which are before, I press on toward the goal unto the prize of the high calling of God.

Phillipians 3

Yours is a class which has been known for its diversified talents and abilities, ready for whatever activity was presented to it. The enthusiasm with which the class as a group tackled each problem had much to do with its success. As you are graduated from Stoughton High School, you will necessarily follow many different paths, but in all walks of life this zest for achieving can help you to attain whatever goals you may set. The important thing is to keep striving toward a higher goal, rather than to rest on the laurels already won.

The School Committee wishes you the joy of success; but even more, the infinite pleasures of striving for a higher goal in life.

A. C. Woodward, M.D.

# *Superintendent*

To the Class of 1959:

It is with mixed feelings that I extend my congratulations to the members of the Class of 1959. You were in the first grade when I assumed my responsibilities as Superintendent of Schools. At that time there were 137 pupils in your class. Some are no longer members of your group and others have increased your class to 164 pupils. Many changes have taken place as you have progressed along your way in the Stoughton Public Schools. I feel, too, that my association with you has been more intimate because my daughter Maureen L. has been one of you. So it is with joy and sorrow that I contemplate your graduation from Stoughton High School as the Class of 1959.

Our schools have zealously endeavored to improve our total curriculum to prepare you to meet the demands that will be made upon you as you enter a changing, exciting world. You must do more than watch the world develop about you. You must determine to participate and make your personal contribution to the formulation of a democratic society which will serve its members and insure their freedom.

I exhort you individually and as a group to strive to develop your full potential. You must stand ready and willing to accept the challenges that face you. As citizens of a democratic society you must not only know where you are going but more important you must know why. To be effective your acceptance of democratic ideals must have a visible effect on your daily lives. For, as the great Disraeli once said, "Circumstances are beyond the control of man, but his conduct is in his own power." You must be willing to indulge in self-analysis and this will be a test of your maturity. We have faith in you. We believe that your personal achievements during your school years are evidence of your potential for the future.

As Superintendent of Schools, I extend my personal best wishes to each and every member of the Class of 1959. I hope that you will continue to be a credit to yourselves, your parents, and your school.

*Joseph H. Gibbons*

# *Principal*

To the Class of '59 I send my sincere best wishes for years of happiness and success.

It is at this time that many of us who have been close to you during the past several years will feel prone to offer well-meaning advice relative to the conduct of your daily lives. Much of what we say may have real meaning for you. However, no matter how valid may be our guides to purposeful living, it will be for you to determine ultimately the manner in which you will choose to pursue the goals which have greatest personal meaning to you. For this reason our advice now has less significance in shaping your future than that which we have accomplished already in helping you meet the responsibilities of sound, independent judgement.

My one great hope is not that your high school has given you a complete education, but that it has opened the door to further education, whether it be formal or informal, by helping you to develop a free, inquiring mind that is not fearful of facing issues nor making mistakes. This—more than the accumulation of facts—is the true essence of education.

In all likelihood our longest memories of S.H.S. will be memories of people rather than of specific deeds or events. Certainly the past several years have offered each of us friendships which we will never forget. With mixed feelings then—happiness over your outstanding achievements as a class and regret over our brief separation as friends—I again extend to everyone in the Class of '59 my wishes for the very best.

Sincerely,

A cursive signature of the name "Aaron Fink".

*Principal*

Congratulations and best wishes to the Class of 1959. As a group you have displayed in an outstanding manner the fine qualities of diligence, cooperation, academic achievement and service to your fellow man.

As individuals I urge you to continue to develop these qualities and other talents that you possess in order that you may benefit yourself, your community and the Nation.

Arthur L. Penardi  
*Assistant Principal*

Long years of work and planning yield rich rewards. Many of you have worked diligently while at Stoughton High School and although tangible results of your efforts may become apparent more quickly in some cases than in others, the fruits of your work will be permanent and of long range value.

Do not become impatient if your vocational, educational or personal goals are not on the horizon at the time of graduation from high school.

Be true to the principles of integrity, loyalty and industry which you have acquired at S.H.S. and success in terms of self-respect, happiness and worthwhile achievement will be assured.

Best wishes,  
Albert C. Williamson

The years of gas powered cars, parking problems, and sacque dresses are obsolete. We, the class of 1959, welcome you to the year of 1979. The place is, of course, the planet Kcisukcm, discovered by that famed scientist, Professor DAVID McKUSICK. If you take a short cut on the Earth Turnpike, Kcisukcm is only 358,791.88 billion miles west of Venus and north of Pluto. You can be sure of these figures because they have been accurately calculated by Professor McKusick's able staff of mathematicians, DAVIDA CARVIN, DAVID OTTO, and BILL SAVICKI. The fine foliage that is seen along the Earth Turnpike can be credited to the Malbty Tree Specialists, headed by BRAD and BARBARA MALBTY.

The event is the twentieth reunion of the class of 1959, —a barbecue at ROBERTA SLANEY's new planet ranch house which was designed and built by BILL SLANEY. Roberta has made her ranch a great success because her capable "cowhands," PAM RAYMOND, CHARLOTTE RENNIE, and BARBARA SHEA have helped her so much.

All the members of the class are relaxing after their delicious meal which was planned by Chef TOM MacCONNELL of the Waldorf. Tom was fortunate to have BRAD RUSSELL, RICHARD ANDERSON, BRENDA PETERSON, and CLAIRE SHEA help to serve the luncheon. Claire and Brenda are using their new hot dog assembly line system to make serving very easy.

As we walk around the barbecue grounds, we will meet many of our classmates.

Why, if it isn't LARRY MELBERG, the multi-billionaire, sitting on *his* cash-box, collecting the gaudy invitations. They were printed by a new process developed by DICK BENKART, BILL MORRISON, and PAUL THIBEAULT.

JUDY LINDELOF and PAT ANGELOS certainly look like teenagers in their lovely hostess outfits designed by JANE SULLIVAN. Judy and Pat have taken time out from their executive secretary duties to be our hostesses.

Don't look now, but here comes TOM "ROCK" HALLINAN broadway star and basketball expert. He certainly is "swoon bait."

TOM BURBRIDGE, world "connoisseur" of men's clothes, has just informed us that the latest fashions are togas and sandals.

The gravitational pull on Kcisukcm is a little different from that of the earth, but our football lovers are having

quite a time. There goes a pass from FRED SHEA to TOM HERN to BILL SHELDON to PAUL CALLAHAN to ART LESBERG to JOHN GIANNAKOULIS to BUTCH PIRES. Butch, watch out for the "Splash" pool. Don't worry, Butch. Dr. CARMEN MASTRACOLA, nurse CHARLOTTE DORS, pharmacist ESTELLE GOULSTON and their medical secretaries DEBBY BISHOP and ELEANOR KAMINSKY will have you back in shape in no time. If hospital attention is needed, DORIS BRIFFETT, JOANNE FINNIGAN, MARIE FITZPATRICK, FERN CROSS, VICKY BYRNES, and GRETA BARONSKY, six beautiful nurses, will be on hand.

Heavens who's that? Why it's PEG NICHOLAS in Bohemian costume. She is about to give us a reading from her latest novel, *Beatnick Boulevard*.

At the barbecue area, we find EDIE YORK and Rev. HARRY SWITZER with ten hot dogs, four cokes, and six ice creams. They are having a race to see who can eat the most. There's Air Force Flight Sgt. TOM KAMINSKAS putting relish on MARSHA SHAPIRO's hot dog. Marsha, who has just invented a new type of hoodsie at her ice cream plant, seems to be enjoying herself.

You'll never guess what happened. Yes, ROBERTA NELSON, ANNE LOGAN, VIRGINIA MURPHY, and CAROL McMANN finally met Elvis in person. Mr. Presley made each girl his private secretary. Congratulations, girls!

CAROL KILROY, THERESA JULIANO, and EDNA WITT are vigorously opening coke bottles, which are being served by those famous bartenders, ED OWEN and JOHN ROMANUCK. This is coke? Don't drink anything until EDDIE MURPHY arrives with the ice, from his famous gigantic icehouse.

At this time, we must compliment HENRY CHIPMAN on the fine picnic tables which he made for the reunion. They are selling like "hot cakes" back on earth!

MAUREEN L. GIBBONS has certainly provided a great deal of culture to our little gathering today. Maureen has just returned from France where she wrote a novel in French entitled, *C'est la Vie*.

It's about time for the entertainment to start. JULIE McNAMARA will play a few numbers on her flute from her latest jazz album called, "Julie's Blue Notes." Go Man Go!

The day wouldn't be complete without watching

# Prophecy

"Kcisukcm Bandstand" on Roberta's wall to wall television set. The emcees for today's show are JACK DeLOUGHREY, TONY HUTCHINS, and JACK TRACY. Their special guest group is the Coit Theatrical Co. The troupe, consisting of CAROLYN COIT, SHELLY FELDMAN, RUTH PARENT, ROBERTA DOHERTY, MAXINE MALL, and BETTY BERGGREN will do a take-off on the old time movie of "The Egg and I."

Tennis anyone? The recreation area is full of tennis fans who are watching the women's champions, REGINA JONES and JOAN STORME. HARRY THOMAS has donated his services as recreational coach. We all remember Harry in his famous gym exhibitions.

Taking part in the sack races, which are being conducted by JANICE HALL, we find BEV DWYER, WINKY TWOMEY, and ANNE McNAMARA. These girls have been working together as a comedy team. Their acts certainly "bring down the house."

CORRINE GILL and DOTTY GALVIN have "commercialized" the commercial course. Their new business ideas have replaced secretaries with machines.

Two rockets have just landed in the parking lot. Stepping from the first one we find those Hollywood playboys JIM BURBA, ED W. SHEEHAN, and BILL O'BRIEN with their publicity agents, AL SHUMAN, and ELLIS SMITH. Stepping from the second rocket we find New York executive TUCK CADDELL with six of his secretaries. They are JANE ROCHE, MARILYN STEWART, JANE HOWLAND, GAYLE HOLMES, and BARBARA KRITZMAN.

We must mention here that all services for the rockets here today will be taken care of by the ZABLOCKI Overhaul Co., Inc. Servicing is done by chief engineers DAVID PALMER, PAUL CUTCLIFFE, and ROBERT DARLING.

Over by the lavish swimming pool we find a beauty contest taking place. It is being judged by DICK CREAN, LARRY CROSS, ROGER LARSON, and beachcomber, BOB DiFABIO. Awaiting the decision are the finalists, DEANNA SHAPIRO, NANCY CHESWORTH, MARILYN MILLER, JULIE PETERSON, PAT REID, JOAN HERN, and MAUREEN T. GIBBONS. Their coiffures were arranged by RUTH TANSEY and MARY JANE BUCKLEY.

Standing by the modern art display presented by JOAN ZUMAS, SUSAN ASH, and EVELYN COX, are JEANNE

DESMOND, KAREN McEWAN, BEVERLY PENTZ, and SANDRA DeCOSTA. They are taking notes for articles to be published in competitive newspapers which are printed by RODMAN TRIPP, KENNETH HILL, and JOE TRAINOR. Also present are MARY MANN, SALLY DOYLE, and PAT SAMPSON, typists for these newspapers.

Now for the main event. A rocket race announced by ED F. SHEEHAN. Racers are GEORGE MARKLEY, WILLIAM STANKAUSKAS, MILO CORNELIUS, ARTHUR TILTON, BOB WERNER and EDDIE DiCASTRO. It looks as if "Daredevil" DiCastro will win.

Oh, here come the co-owners of the Pickle Packing Plant, MATT GRIGAS and RAY HATCH! With them are DENNIS CREAN, CHARLIE COFFEY, and TONY GARERI. They are other executives of the plant. Also with them is their favorite salesgirl, PAULINE CALLAHAN, and their other commercial executives, MARIA DeANDRADE, ELAINE DIAZ, and PAT ELLIOTT. Consultants are THERESE SULLIVAN and HAZEL THAYER.

The last and most spectacular event is the scavenger hunt which was planned by TERRY HINDS and MIKE LEONARD. Everything was personally hidden by HANNAH GOOD, and MABEL MANN. JOHN LYONS, JIMMY O'NEIL, and TONY RAILA are returning now overburdened with unusual objects.

Now, as the day is coming to an end we find WAYNE ROBINSON, JAMES McCARTY, and MARVIN WECHSLER auctioning off cold hot dogs, soggy rolls and flat coke to the departing guests.

Poor NANCY KLUND, JANET HERRON has been talking to her for the last twenty years. Just a minute! I think she's through. "Nancy, what do you have to say?" "Oh, nice."

If we wait long enough we may get to see COL. JOHN RADVILAS of the Confederacy. Rebel tells us that southern Mars is about to leave the union. Good luck!

Jumping Jacks? No, it's only MARTHA CAROLAN and PRISCILLA STANDISH giving one last cheer.

ROSARY BAUMANN and KAREN OSTER have just informed us that the party is almost over.

The reunion has been eventful and successful because the class of 1959 is still as active as ever. One thing is certain, a good time was had by all.

# 1958

The Stoughton High School football team experienced one of its most successful seasons under the able direction of Coach Albert Twomey and Co-captains Anthony "Butch" Pires and John Giannakoulis.

The Black Knights opened the season with a very impressive 34-14 victory against a strong North Quincy club. Stoughton then played the Coyle Warriors who led throughout the entire game, only to have Stoughton grasp a tie with a spectacular end run by Dave Webster.

At Stoughton, the undefeated Wareham eleven were completely outplayed, and Stoughton walked away with a 22-0 victory over the Cape Codders. Our next game was against a stubborn Hingham team who held Stoughton to an 8-6 and crushed Newburyport 22-0.

Our next foe was the very highly rated Rindge Tech team playing of "Butch" Pires, beat this team by an astonishing who had lost but one game. The S.H.S. line and the fine 26-0 score. The Black Knights then traveled to Attleboro where they gained their fourth shutout of the season with a score of 26-0.

The last game of the season was against Canton, our traditional rival. In this game Stoughton won by a score of 44-0, thus winning high defensive honors in class C. This was the largest score ever to be compiled by an S.H.S. team on Thanksgiving.

This was a fine season for all involved, and special recognition should go to the seniors on the team: Co-captains, "Butch" Pires and John Giannakoulis, William Savicki, Walter Unda, Paul Callahan, Anthony Gareri, William Sheldon, Fred Shea, John DeLoughrey, Arthur Lesberg, Thomas Hern, Edward Sheehan, and Thomas Burbridge.

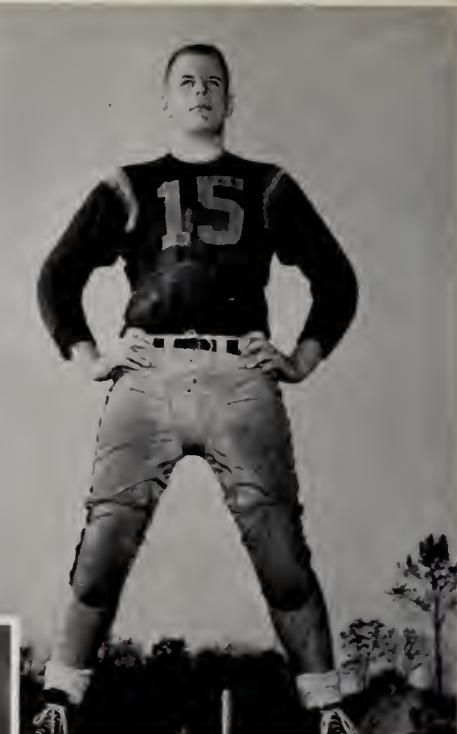

We extend our congratulations to the 1958 football team, and hope that the 1959 team will have an equally successful season under the leadership of Coach Twomey and Captain-elect Richard Farley.

## *J. V. Football*

Under the fine coaching of Paul Bean and Paul Nessar, the junior varsity football team opened their season with an outstanding victory over North Easton by a score of 26-0. The J.V., plagued with injuries, lost a well played game to Canton, 20-16, and one to Coyle, 18-14. The team made its comeback in the final game of the season with a very impressive score of 22-6 over Hingham.

The outstanding backs were Frank Polillio, Bill Police, and Mike Baxter. Linemen who deserve credit for playing are Philip Dineen, Michael Ryan, John Silvia, and Robert Hallamore. These players and many more are fine prospects for the varsity football team next year.

## *Intramural Football*

While the varsity football team was busy practicing, a very active intramural football program was going on under the supervision of Mr. Peter Gerardi. The boys in grades 7 through 9 had a very competitive season with "The Fighting Freshmen," a 9th grade team, winning top honors. Kenneth Simmons was captain.

Ronald Bloom was the 9th grade high scorer with 78 points.

Carl Nelson was the 8th grade high scorer with 38 points.

Fred Yaitanes was the 7th grade high scorer with 66 points.

# Boys' Basketball

*Varsity*

Each Varsity basketball game in the Hockamock League is usually highlighted by a preliminary Junior Varsity game. The Junior Varsity team is composed of underclass boys who play a regular league schedule just as the varsity team does. The purpose of the Junior Varsity is to provide an opportunity for more boys to play basketball and to enable these boys to develop so that they will be of better use to the varsity in the following years.

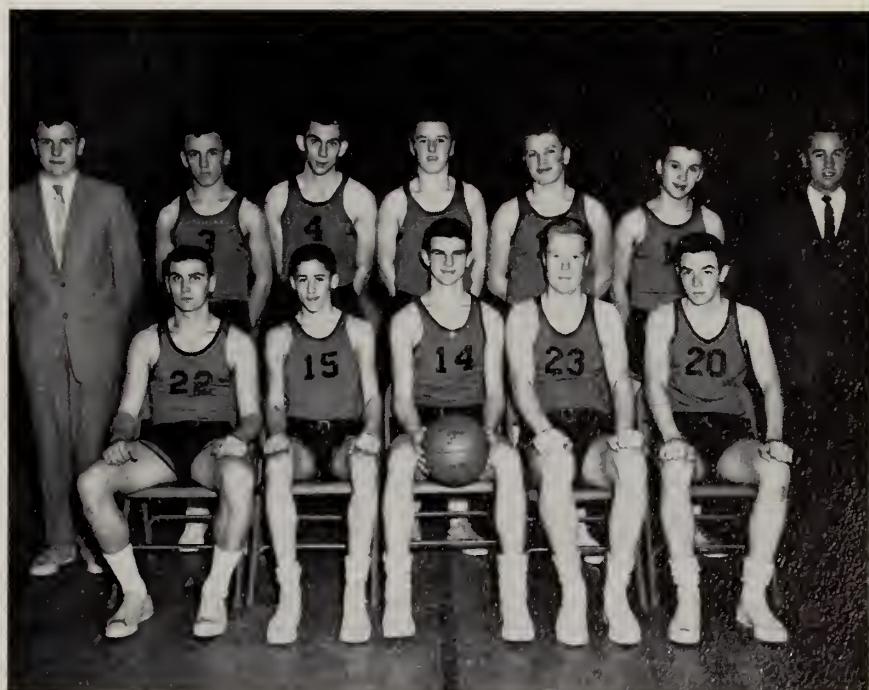

This year's team was composed of boys from the eighth through eleventh grade. Among those who showed a great deal of promise for next year's varsity team were: David St. Peter, Robert Murphy, Roy Lang, Clayton Beless, Albert Hudson, Ron Bloom, and Frankie Polillio.

The varsity basketball team, under the capable direction of Head Coach Peter Gerardi and Assistant Coach Paul Bean, enjoyed a successful season, finishing with a winning record and playing well in the South Shore Tournament.

The team was led in scoring by Captain Tom Hallinan, who had an average of 20 points per game. Jack Tracy and "Tuck" Caddell provided the Black Knights with a capable back court, while "Butch" Pires and David Webster played excellent ball as forwards. Other key men included senior John Radvilas and juniors Don Lewis and Gerard O'Neill. Henry Chipman, Dick Farley, Larry Ledin and Dave St. Peter also played well in reserve roles.

Judging from the performance of the juniors, Coach Gerardi expects another successful season next year.

# Track 1958-59

The 1959 squad under the leadership of Co-Captains Bob DiFabio, a senior, and Tom Allen, a junior, will be out to defend last year's titles. Last year's very successful team brought home the Hockamock and South Shore Championships while losing the State Meet by a narrow two points.

DiFabio, a two-year man, excels in the broad jump while Tom Allen is a strong distance runner and also a dashman. Butch Pires, an extremely versatile senior performer, usually scores well in the high jump, discus, and dash contests. John Radvilas and Paul Callahan, also seniors, hope to score many points in the same events.

Veterans David Webster, Clayton Beless, and Donald Lewis will score, as last year, in almost all events, along with many new hopeful recruits.

Other squad members include: Joseph Flynn, Richard Gerrish, John Gay, Donald Lewis, Arthur Lesburg, Richard Hern, Larry Ledin, John Tracy, John DeLoughrey, Russell Cederholm, James Allen, Peter Barbato, Thomas Hallinan, Henry Chipman, Kriss Winroth, John Kiltroy, Joseph Kroski.

## Year Round Activities

# S.H.S. Band

Last April the Stoughton High School Band and Majorettes participated in the Southeastern Massachusetts Music Festival parade and massed band concert held in Quincy. Earlier, the Band was the recipient of a Class C, Division I, rating and a special commendation from the judges at Quincy High School for its performance of *Display Piece for Band* by Morrissey. The following month, the Band and Orchestra joined with the choral groups to present the annual spring concert. A banquet honoring members of the Band and Orchestra was held in the Jones school cafeteria during the final week of school. Members received letter and pin awards, officers were elected for the following year, and the school dance band provided after-dinner entertainment. On November 7, 1958, the fifty-two member band and majorette squad performed at the Boston University-Syracuse football game. The Stoughton aggregation joined with twenty-two other bands and participated in a giant maneuver at this annual high school affair. Two band members and one orchestra member were honored recently when they were selected to represent our town in the Southeastern Massachusetts District Music Festival scheduled for Mansfield in early February, 1959. These students are automatically eligible to audition for the forthcoming All-State Music Festival.

Under the congenial direction of Mr. Vogel the Toastmasters' Club had another active year. They participated in the Senior Toastmasters' meetings and returned with many new ideas. The highlight of their year is their combined meeting and banquet with the Senior Toastmasters' Club of Stoughton.

*The Staff*

Under the leadership of its six senior members, the *Semaphore* editorial board has labored to produce a top-rate newspaper. During the year news, feature, and sports staffs were organized to improve the calibre of articles produced. Form, interest, and originality were emphasized. Through special classes conducted during X-periods, staff members learned the fundamentals of good journalism.

The *Semaphore* is under the direction of David McKusick, editor-in-chief, and Miss Julia Hurley, advisor.

# *Dramatic Club*

This is the fourth year of activity as an extracurricular organization for the Dramatic Club of Stoughton High. It is the third year in which the club has been affiliated with the National Thespian Society, an organization devoted to the task of providing experiences in and developing appreciation for the dramatic arts among students of secondary schools. Through its challenge to over two thousand chartered troupes, nationally and abroad, this society encourages work in the dramatic arts. As proud possessors of Troupe 1675, thirteen enthusiastic Stoughton High "Thespians" have led the school's drama group in maintaining its troupe in good standing during the school year 1958-59.

On the stage and behind scenes, more than sixty dramatic club members worked diligently in preparation for the performance of the club's December Play. The delightful sentimental comedy "I Remember Mama" was the result of this student effort as an appreciative mid-December audience applauded the performance in the high school auditorium.

Prior to school dismissal for the Christmas holidays, another group from the Dramatic Club participated in the school's Christmas program as members of the "Verse Choir."

Past the mid-year examination period, the second phase of work among dramatic club members includes participation in senior play activities for eligible senior members of the dramatic unit as well as for others of the club who provide assistance. In addition to the senior play effort, one act play ideas and work with individual dramatic readings are included in a program of play visits, school exchange presentations, and finally the initiation of new Thespians!

Seniors Carolyn Coit, as president, and Ruth Parent as vice president, worked with Cindy Fobes, a junior, to give an unusual and efficient leadership to the Dramatic Club during 1958-59. Under the direction of Mr. Pitts, our sponsor, it has been a good year for dramatics at S.H.S.

On February 7, 1957, Stoughton High School proudly affiliated itself with the National Thespian Society. In a wonderful charter ceremony, twelve student members of the Dramatic club were inducted as members of this high school drama organization. Assistance in their induction rites was provided by the New England Director and her troupe from Fall River, Mass.

Thus Troupe 1675, Stoughton High School, became the eighteenth high school in Massachusetts to achieve "Thespian" status. The National Thespian Society is an organization of over two thousand high schools devoted to the advancement of dramatic arts in secondary schools. It strives to inspire and encourage dramatic arts within high schools in this country and abroad.

Charter members of Troupe 1675 at S.H.S. were Verna Borgeson, Katherine Curry, Doris Kaslouski, Dorothy Oslin, Irene Perdiago, Alfred Frizelle, Davida Carvin, Carolyn Coit, Shelly Feldman, Margaret Nicholas, Ruth Parent, and Wayne Robinson. The last five of these charter members graduated with the Class of '59.

Since 1957, our Thespian membership has more than doubled. To become a "Thespian" is the hope and goal of every Dramatic Club member as he or she works to achieve the "points" and sponsor recommendation necessary for membership.

As the "heart" of the Dramatic Club "Thespians" can be found participating in all phases of the dramatic program of the school, ever striving to uphold the club motto, "Act well your part; there all the honor lies."
